Other Options...

Keep in mind that we also offer guided trips on Kerr Reservoir (Buggs Island). Also, we want your trip to be the best it possibly can be. If there is any special requests that you may think would be difficult or impossible please don't hesitate to ask as we will try to make the impossible happen. Thank You and Tight Lines!!

Are you tired of not catching bass consistently on Lake Gaston? Are you here for vacation and want to catch some of Lake Gaston's beautiful Large

Mouth? Or maybe you are a seasoned angler and want to learn some of the newest techniques from the tournament trails?

If you have answered "Yes" to any of the above questions then give Lake Gaston Pro Guide Service a chance to show you how to enjoy the wonderful fishing that beautiful Lake Gaston has to offer. Together J.T. Palmore and Rick Morris have over 25 years of experience fishing Lake Gaston. They have learned the lake and know how to consistently put bass in the boat and they are eager to show you how and where you can do the same!!

You will ride in a top of the line bass boat equipped with the latest electronics. You will also see some of the newest techniques used on the water today

THE TRIP ITSELF

The trip itself has several different options. Since both anglers are fishing two different tours, the date that you choose will decide which guide takes you on your trip. Both guides can be requested (depending on availability) for an additional fee. All rods, reels, and lures will be provided at no cost. You are welcome to bring your own equipment. We offer 4 hour and 8 hours trips.. We want to make this a memorable experience for you and if you decided to stay longer during the trip it can be done.

Prices:

(Rates are for 1-2 People)

4 Hour Guide Trip: \$200

8 Hour Guide Trip: \$300

2 Guides: Additional \$100
